Title: I would like to lead off

Author: Huma Dragonbane

I would like to lead off
saying, that no matter
what the outcome was of
our first attack against
Beleth's forces, I am
proud of each and every
one of you that is
defending our capital with
your blood.

There is nothing to
report from the regency
guilds that have spoken
with me, other than that
they are up and running.

We welcome the Vesper
Alliance into the ranks of
the Regency. The Runic
Knights, Order of the
Rose, and The Knights of
the Golden Phoenix. May
our relationship together
be long and prosperous.
An alliance has been
signed with Talon Skyfire
and the Order of the
Stormguard. The Order
has been granted rights
of passage through our
lands. On a side note,
Talon is a personal long
time friend of mine, I
expect you all to treat
him well.

In light of recent
developments, the alliance
with Stormhaven has
hereby been severed,
pending investigations for
classified reasons.

Conner McCrimmon has
been added to the
Regent's staff as
Ambassador to the
regency guilds.

Red Wind of Clan Moor
is now heading the war
strategy for the Britain
campaign. I expect you all
to listen to him as you
would to myself regarding
military strategies.

Lilyth Noir is now the
tactical analyst/advisor
for the Regency.
